**Institutional Development Plan (IDP)**  
**Government Degree College, Bhojpur, Moradabad**  
**(Period: 2025–2030)**

**1. Vision**

To emerge as a leading Government Degree College of Moradabad region by providing quality higher education, promoting research, innovation and skill development, and nurturing socially responsible, ethically strong and employable graduates in alignment with NEP-2020.

**2. Mission**

To provide accessible, inclusive and quality undergraduate education.

To implement NEP-2020 based curriculum effectively.

To promote research culture, innovation and extension activities.

To strengthen infrastructure, ICT facilities and green campus initiatives.

To empower students with academic excellence, values and employability skills for nation building.

**3. Pillars of Transformation**

Academic Excellence & NEP-2020 Implementation

Curriculum Enrichment & Skill Development

Research, Innovation & Extension Activities

Infrastructure Development & Green Campus

ICT Enabled Smart Teaching–Learning

Student Support, Mentoring & Career Guidance

Community Engagement & Social Outreach

**4. Major Goals for the Next Five Years (2025–30)**

Effective implementation of NEP-2020 based courses and syllabus.

Expansion and renovation of existing classrooms.

Development of ICT enabled smart classrooms.

Strengthening of laboratory facilities and learning resources.

Library automation and enrichment of books and e-resources.

- Development of eco-friendly and green campus.
- Upgradation of sports and playground facilities.
- Strengthening student support services and mentoring system.
- Faculty development through FDPs, workshops and seminars.
- Promotion of research, innovation and extension activities.
- Community outreach through NSS and social initiatives.
- Strengthening academic administration and governance.

### 5. Constitution of IDP Committee

Institutional Development Plan (IDP) Committee has been constituted to plan, implement, monitor and review developmental activities of the college for the period 2025–2030.

### Functions of IDP Committee

- To prepare and implement the Institutional Development Plan (2025–30).
- To align institutional goals with NEP-2020 and government policies.
- To identify academic, infrastructural and administrative priorities.
- To monitor progress of planned developmental activities.
- To coordinate with IQAC for quality assurance.
- To submit periodic reports to the Principal and Governing Body.

### Expected Outcomes

- Improvement in academic quality and student learning outcomes.
- Strengthened infrastructure and digital learning environment.
- Enhanced research, extension and community engagement.
- Holistic development of students with better employability skills.
- Overall institutional growth and preparedness for NAAC accreditation.
